Majors: Elementary Education, Early Childhood Education, Child Development, etc.

Supervisor: Joyce Tierney **Supervisor Phone #:** 410-386-6644

Responsibilities:

- Work in conjunction with child development team to supervise children ages 4 years and younger in the child development area
- Teach, play with, and engage children in meaningful interactions
- Work directly with infants to provide meaningful care and stimulation
- Assist staff in cleaning and sanitizing the play area
- Create age appropriate educational displays
- Other duties as assigned

Qualifications:

- A genuine interest in early childhood education and development
- Strong degree of patience and an exceptional sense of creativity
- Must be willing to undergo criminal background check
- Previous experience in childcare or early childhood development a plus, but not required
- Must be able to maintain confidentiality
- Must possess a high capacity for physical mobility
- Must be able to lift up to 25 pounds unassisted

Hours: Flexible weekday daytime hours available. Consult with supervisor for specific hours.

Compensation: This is an unpaid internship opportunity. Degree seeking students may obtain academic credit.

Work Location: 10 Distillery Dr, Westminster, MD 21157 (3rd floor). Not accessible by public transit. Interns must have access to reliable transportation.
